Students in Cecere's Math Class are working on evaluating numeric expressions using a variety of digital resources; HMH Ed, Google Slides, Easel, Khan Academy, and interactive games.

Students from Ms. McGhee and Ms. James's class made descriptive donuts! Improving their writing skills by adding details.

Student Spotlight

6th grader, Joselyn Carreon

- Joselyn is a pleasure to have in class.
- She comes prepared and eager to learn everyday! She is committed to doing her best. Keep up the good work Joselyn!

Staff Spotlight

Ms. James

Ms. James has great relationships with her students and their families. Her students can always go to her for guidance and support! Thank you Ms. James for all that you do to help our students and school.

Upcoming Events

- Take a look at our [parent wellness activities](#) happening this year!
- APSD is offering free parent workshops through Empowered Parents University! Check them out [here](#).

Try this @ Home!

- May in Mental Health Awareness month to raise awareness about the importance of positive mental health. Talk to your child about their own mental health and discuss some ideas for self-care. Maybe you can try a few together such as dance party, bike ride, walk, reading, baking.
